**FEE EXAMINER'S APPLICATION TO AUTHORIZE THE LIMITED RETENTION
AND EMPLOYMENT OF THE STUART MAUE FIRM AS CONSULTANT
TO THE FEE EXAMINER AS OF JANUARY 22, 2010**

TO: THE HONORABLE ROBERT E. GERBER
UNITED STATES BANKRUPTCY JUDGE

The Fee Examiner of General Motors Liquidation Company, Inc. (n/k/a Motors Liquidation Company) (“GM”), appointed on December 23, 2009, submits this Application pursuant to the *Stipulation and Order With Respect to Appointment of a Fee Examiner* [Docket No. 4708] (the “**Fee Examiner Order**”) for authorization to employ the firm of Stuart Maue as consultant to the Fee Examiner for a limited purpose (this “**Application**”) and respectfully represents:

PRELIMINARY STATEMENT

1. The Court appointed the Fee Examiner to monitor the fees and expenses incurred by professionals in these chapter 11 cases and to provide periodic reports to the Court, separately or in conjunction with applications submitted for approval by the professionals. With this Application, the Fee Examiner seeks entry of an order, pursuant to the Fee Examiner Order and 11 U.S.C. § 327, authorizing the appointment of Stuart Maue as consultant to the Fee Examiner for the initial limited purpose of assisting in the review of the fees and expenses requested in the first interim fee applications of the following professionals: Jenner and Block, LLP; Brownfield Partners, LLC; Kramer Levin Naftalis and Frankel, LLP; LFR, Inc.; and Claro Group, LLC (“**Selected Case Professionals**”), effective as of January 22, 2010.

2. The limited scope and costs of the Fee Examiner’s proposed engagement of Stuart Maue are outlined in this Application. In support of this Application, the Fee Examiner relies on the Affidavit of James P. Quinn, President and Chief Operating Officer (“**Quinn Affidavit**”), attached as **Exhibit A**.

BACKGROUND

3. Commencing on June 1, 2009 and periodically thereafter (as applicable, the “**Commencement Date**”), General Motors Corp. and certain of its affiliates (“**Debtors**”) filed in this Court voluntary cases under chapter 11 of the Bankruptcy Code. The Debtors’ chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Federal Rule of Bankruptcy Procedure 1015(b). The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to 11 U.S.C. §§ 1107(2) and 1108.

4. On June 3, 2009, Diana G. Adams, the United States Trustee for the Southern District of New York, appointed the statutory committee of unsecured creditors pursuant to 11 U.S.C. § 1102 (the “**Creditors’ Committee**”).

5. On December 23, 2009, the United States Trustee proposed Brady C. Williamson as examiner in the above-captioned chapter 11 cases (the “**Fee Examiner**”) and, without objection and by the Fee Examiner Order of the same date, the Court approved the appointment.

6. On January 5, 2010, the Fee Examiner submitted an *Application for Authorization to Employ and Retain Godfrey & Kahn, S.C. as Counsel to the Fee Examiner, Nunc Pro Tunc to December 28, 2009* and, without objection, the Court entered an order authorizing the employment of Godfrey & Kahn, S.C., as counsel to the Fee Examiner on January 19, 2010.

JURISDICTION

7. This Court has subject matter jurisdiction to consider and determine this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b).

BASIS FOR RELIEF REQUESTED

8. The Fee Examiner has determined that the initial volume of fee applications from case professionals to date, in excess of 4,000 pages of time records, warrants—at least on an interim and limited basis—assistance from a consultant that can contribute to the Fee Examiner’s quantitative analysis of the fee applications and the preparation of reports to facilitate that analysis. Accordingly, after reviewing the firms potentially qualified to undertake this assignment, the Fee Examiner has initially selected Stuart Maue as one of the best qualified and, initially, most cost-effective professionals to support the Fee Examiner in his review of the first interim fee applications of the Selected Case Professionals.

STUART MAUE QUALIFICATIONS

9. Stuart Maue is a legal auditing and bill review firm that employs licensed attorneys and accountants. The firm is engaged in reviewing legal bills resulting from complex litigation and bankruptcies. It has been appointed fee examiner and/or consultant to fee committees in several large bankruptcy cases including The Tribune Company, Merisant Worldwide, Inc., Stone & Webster, Incorporated, and K-Mart Corporation.

SERVICES TO BE PROVIDED BY STUART MAUE

10. The Fee Examiner seeks to engage Stuart Maue to provide a defined range of services, including:

A. Assisting the Fee Examiner in analyzing the fee applications of the Selected Case Professionals for compliance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Guidelines of the United States Trustee, the Code of Federal Regulations, and the Local Rules and Orders of the Court;

B. Assisting the Fee Examiner with the preparation of periodic reports with respect to additional subjects regarding professional fees and expenses; and

C. Such other services as the Fee Examiner may request, including the review of other applications consistent with the terms of this Application.

11. Other than in connection with assisting the Fee Examiner in his analysis, Stuart Maue will not duplicate the work performed by the Fee Examiner or any other professionals.

12. The employment of Stuart Maue is in the best interest of the Debtors' estates and of these cases as a whole because it will aid in the Fee Examiner's analysis of fees and expenses, augmenting the Fee Examiner's ability to properly and efficiently analyze a large volume of fee and expense requests.

13. The Fee Examiner believes that Stuart Maue will materially aid in reviewing the fee and expense requests of the Selected Case Professionals and that Stuart Maue's experience in analyzing fee applications, filed in bankruptcy and nonbankruptcy cases, will enable the Debtors to achieve substantial benefits.

A. The Fee Examiner wishes to engage Stuart Maue for the limited purpose of processing the fee applications of the Selected Case Professionals in part to evaluate the efficacy and utility of Stuart Maue's services and to determine whether retention of Stuart Maue on a larger scale will create an overall benefit for the Debtors' estates.

B. In this regard, the Fee Examiner designated the Selected Case Professionals because they reflect the diversity—in size, services, and client and case responsibility—of professionals retained in the entire case. In fact, they are a representative sample.

C. Within the defined limits of compensation described in this application, the Fee Examiner may utilize Stuart Maue's services with respect to the applications of other professionals.

14. The Fee Examiner may return to the Court before or after the completion of the work authorized by this Application to extend, expand or terminate the authorization of Stuart Maue.

PROPOSED COMPENSATION

15. The Fee Examiner, subject to the provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and further orders of the Court, proposes to have the Debtors compensate Stuart Maue at the firm's regular hourly rates for legal and non-legal personnel and to reimburse Stuart Maue for all reasonable and necessary expenses under 11 U.S.C. §§ 330 and 331. Stuart Maue's current hourly rate structure ranges from \$375.00 for the project

manager; \$275.00 to \$350.00 for legal auditors and senior legal auditors; \$175.00 for IT personnel; and \$75.00 for data control personnel; however, that compensation shall not exceed a total of \$85,000.00 for the review of the first interim fee applications of the Selected Case Professionals.

16. Stuart Maue will apply to the Court for the allowance of compensation and reimbursement of expenses in accordance with the *Order Pursuant to 11 U.S.C. § 105(a) and 331 Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* (the “**Compensation Order**”) dated August 7, 2009 [Docket No. 3711] and with §§ 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and otherwise applicable administrative orders and guidelines. However, Stuart Maue will not apply for the approval of compensation until the conclusion of its initial assignment described in this Application.

17. Stuart Maue has not received any compensation for services rendered in the Debtors’ chapter 11 cases.

STUART MAUE’S CONNECTIONS WITH PARTIES IN INTEREST

18. To the best of the Fee Examiner’s knowledge, information, and belief, other than as set forth in the Affidavit and Disclosure Statement of James P. Quinn, Stuart Maue has no relationship with: (i) the Debtors; (ii) their creditors or equity security holders; (iii) any other parties-in-interest; (iv) the respective attorneys and accountants for any of the foregoing; or (v) the United States Trustee or any person employed in the Office of the United States Trustees, in any matter relating to these cases.

APPLICABLE LEGAL AUTHORITY

19. On December 23, 2009, the Court entered the Fee Examiner Order [Docket No. 4708]. The Fee Examiner Order, in relevant part, provides that the “Fee Examiner may

retain or consult with attorneys or other professionals if he or she determines that such retention is necessary to discharge his duties, with such retention to be subject to Court approval under standards equivalent to those set forth in 11 U.S.C. § 327.” *Id.* at ¶ 6.

20. The Fee Examiner determined that he requires a qualified consultant to assist him and to provide legal auditing services in the course of his work. Pursuant to this authority, the Fee Examiner selected Stuart Maue to review the first interim fee applications of the Selected Case Professionals.

21. Stuart Maue has performed work in good faith, beginning on January 22, 2010, to assist the Fee Examiner in analyzing the first interim fee applications of the Selected Case Professionals. Stuart Maue commenced performing this work at the direction of the Fee Examiner. Accordingly, it is appropriate that Stuart Maue be retained *nunc pro tunc* to January 22, 2010.

PROCEDURE

22. This Application presents no novel issues of law, and the Fee Examiner requests that the requirement of the service and filing of a separate memorandum of law under Local Bankruptcy Rule 9013-1(b) be deemed satisfied by this Application.

23. No previous application for the relief sought has been made by the Fee Examiner to this or any other court.

CONCLUSION

WHEREFORE, the Fee Examiner respectfully requests the entry of an order, substantially in the form annexed hereto as **Exhibit B**, granting the relief requested herein and such other and further relief as the Court may deem just and proper.

1. Employment of Fee Examiner. Stuart Maue is hereby appointed and employed as fee examiner (the "Fee Examiner") to act as special consultant to the Court for professional fee and expense analysis and review, as described in this Order.

2. Scope of Order. This Order applies to: (i) all professionals employed or to be employed in these cases pursuant to sections 327, 328, or 1103 of Title 11 of the United States Code (the "Bankruptcy Code"); (ii) all members of any official committee (the "Committee Members") appointed in these cases and (iii) any claims for reimbursement of professional fees and expenses under section 503(b) of the Bankruptcy Code to the extent permitted by the Court. This Order does **not** apply to: (a) fees earned by professionals that represent a percentage of a specified transaction, (b) ordinary course professionals employed by the Debtors in accordance with the Order Authorizing the Debtors to Retain, Employ, and Compensate Certain Professionals Utilized by the Debtors in the Ordinary Course of Business [Docket No. 227], dated January 15, 2009 (the "Ordinary Course Professionals Order"); provided, however, that to the extent the fees and expenses of any professional employed pursuant to the Ordinary Course Professionals Order exceed the compensation cap set forth therein, such fees and expenses shall be reviewed by the Fee Examiner as set forth herein, or

(c) as otherwise ordered by the Court. In addition, and for the avoidance of doubt, the terms of this Order shall not apply to services rendered by Case Professionals (as defined below) on behalf of non-Debtor affiliates of the Debtors. The parties subject to the terms of this Order are hereinafter referred to as "Case Professionals."

3. Purpose of Order. The Court has determined that, in conjunction with the appointment of the Fee Examiner, it is necessary to establish uniform procedures for the review, allowance, and payment of fees and expenses of Case Professionals to ensure compliance with section 330 of the Bankruptcy Code and other applicable rules and guidelines.²

4. Effect on Interim Compensation Procedures. The terms of the Interim Compensation Order shall be modified by this Order to provide that the Monthly Fee Applications and Quarterly Fee Application Requests (as defined in the Compensation Order) filed by all Case Professionals shall also be sent to the Fee Examiner, including the time entries and itemized expenses that comprise portions of the Monthly Fee Applications and Quarterly Fee Application Requests (the "Fee and Expense Detail"). The Monthly Fee Applications and Quarterly Fee Application Requests may be sent to the Fee Examiner, via e-mail to l.cooper@smmj.com or hard-copy format via first-class U.S. Mail to: Linda K. Cooper, Stuart Maue, 3840 McKelvey Road, St. Louis, MO 63044.

The Fee and Expense Detail shall be sent to the Fee Examiner via e-mail in a searchable electronic format, such as LEDES or Excel. If the Fee and Expense Detail has been submitted in an electronic format with the Monthly Fee Applications, it shall not be necessary to resubmit such detail in conjunction with the filing of a Quarterly Fee Application Request, unless the Fee and Expense Detail has been changed or modified. If a Case Professional is unable to convert its Fee and Expense Detail to the LEDES or Excel formats, the Case Professional may discuss an alternative electronic format with the Fee Examiner.

² Such applicable rules and guidelines include the Local Rules and the United States Trustee's Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses under 11 U.S.C. § 330, effective January 30, 1996 ("Guidelines").

With respect to any Monthly Fee Applications that have been filed prior to the entry of this Order, the Case Professionals shall provide the Fee and Expense Detail to the Fee Examiner within fifteen (15) days of the entry of this Order.

5. Duties of Fee Examiner and Related Procedures. During the course of its review, the Fee Examiner shall be responsible for general familiarity with the docket in these chapter 11 cases. The Fee Examiner shall be deemed to have filed a request for notice of papers filed in these cases under Bankruptcy Rule 2002 and the Fee Examiner shall be served with all such papers.

The Fee Examiner shall review and analyze in detail the Monthly Fee Applications, Quarterly Fee Application Requests, and final fee applications submitted by each Case Professional pursuant to sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and the Guidelines. Within thirty (30) days of receipt of a particular Case Professional's Quarterly Fee Application Request or final fee application and the electronic copy of the Fee and Expense Detail respecting such Quarterly Fee Application Request or final fee application, the Fee Examiner shall provide a preliminary report regarding such review (the "Preliminary Report") to the Case Professional. This period may be extended by mutual consent of the Fee Examiner and the Case Professional. The Preliminary Report will not be filed with the Court or sent to the Notice Parties.

The Case Professional shall thereafter have twenty (20) days to provide to the Fee Examiner additional information or comments in response to the Preliminary Report, which period may be extended by mutual consent of the Fee Examiner and the Case Professional. The response to the Preliminary Report shall be in writing in a searchable electronic format, such as Microsoft Word, WordPerfect, or Excel, and forwarded to the Fee Examiner by e-mail. The Case Professional may also respond telephonically to the Preliminary Report.

Within thirty (30) days after the date of the Case Professional's response to the Preliminary Report, the Fee Examiner shall file a final report (the "Final Report") with the Court regarding each Quarterly Fee Application Request or final fee application. This period

may be extended by mutual consent of the Fee Examiner and the Case Professional. The Fee Examiner shall serve the Final Report upon the respective Case Professional and the Notice Parties (as defined in the Interim Compensation Order). The Final Report shall be in a format designed to opine whether the requested fees of the Case Professional meet the applicable standards of section 330 of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules and the Guidelines. Within fifteen (15) days after the date of the Final Report for each Quarterly Fee Application Request and final fee application, the Case Professional may file with the Court a response to such Final Report. This response shall be served upon the Notice Parties and the Fee Examiner.

Hearings on the Quarterly Fee Application Requests shall be scheduled after the Fee Examiner has filed Final Reports for all Quarterly Fee Application Requests submitted for that period. The hearing on the final fee applications shall be scheduled after the Fee Examiner has filed final reports for those applications.

Should a Case Professional fail to meet one or more deadlines set forth herein for the review of a Quarterly Fee Application Request, and, in the discretion of the Fee Examiner, the Case Professional's failure to meet these deadlines does not allow sufficient time for the review process to be completed with respect to such Quarterly Fee Application Request, such Quarterly Fee Application Request shall be heard at a subsequent hearing date.

The Fee Examiner shall be available for deposition and cross-examination by the Debtors, the United States Trustee, any official committee appointed in these cases, and other parties-in-interest in the Debtors' chapter 11 cases, consistent with Rule 706 of the Federal Rules of Evidence.

6. Fees and Expenses of the Fee Examiner. The fees and expenses of the Fee Examiner shall be subject to application and review, pursuant to Federal Rule of Evidence 706(b), and shall be paid from the Debtors' estates as an administrative expense under section 503(b)(2) of the Bankruptcy Code. The total fees paid to the Fee Examiner for its services in

accordance with this Order shall be charged at the Fee Examiner's ordinary and customary hourly rates for services of this nature.

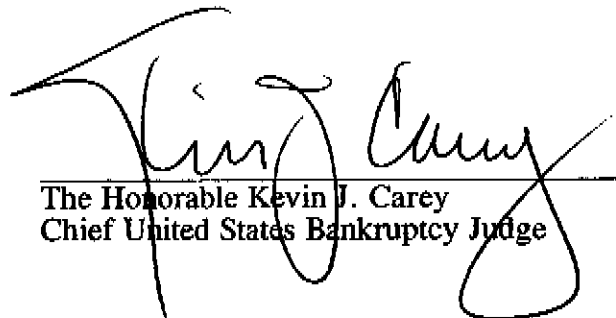

7. Statutory Rights and Obligations of Interested Parties Unaffected. This Order does not limit the statutory rights and obligations of parties-in-interest in these cases, including, but not limited to, the rights of parties-in-interest to object to Monthly Fee Applications, Quarterly Fee Application Requests, and/or final fee applications.

8. Service of this Order. Counsel for the Debtors shall promptly cause a copy of this Order to be served on the Notice Parties and each of the Case Professionals retained in these cases, and shall file a certificate of service upon completion of such service.

9. Effect of this Order. This Order shall be effective *nunc pro tunc* to February 20, 2009 and shall remain in effect unless and until the Court orders otherwise.

10. Power of the Court. The Court shall retain authority to modify this Order upon notice to the parties. Notwithstanding any of the other provisions in this Order, the Court shall retain the authority and responsibility to determine whether fees and expenses requested are reasonable and necessary fees and expenses under section 330 of the Bankruptcy Code.

2. Scope of Order. This Order applies to: (i) all professionals in these cases employed or to be employed pursuant to section 327, 328, or 1103 of Title 11 of the United States Code ("Bankruptcy Code"); (ii) all members of official committees ("Committee Members") appointed in these cases; and (iii) any claims for reimbursement of professional fees and expenses under section 503(b) of the Bankruptcy Code to the extent permitted by the Court. This Order does **not** apply to: (a) fees earned by professionals that represent a percentage of a specified transaction, (b) ordinary course professionals employed by the Debtors in accordance with the *Order Authorizing the Debtors to Retain, Employ, and Compensate Certain Professionals Utilized by the Debtors in the Ordinary Course of Business* [Docket No. 114], dated February 13, 2009 ("Ordinary Course Professionals Order"); provided however, to the extent that the fees and expenses of any professional employed pursuant to the Ordinary Course Professionals Order exceed the compensation cap set forth therein, such fees and expenses shall be reviewed by the Fee Examiner as set forth herein, or (c) as otherwise ordered by the Court. The parties subject to the terms of this Order are hereinafter referred to as "case professionals."

3. Purpose of Order. The Court has determined that, in conjunction with the appointment of a fee examiner, it is necessary to establish uniform procedures for the review,

allowance, and payment of fees and expenses of case professionals to ensure compliance with section 330 of the Bankruptcy Code and other applicable rules and guidelines.²

4. Effect on Interim Compensation Procedures. The terms of the Compensation Order shall be modified by this Order to provide that the monthly and quarterly interim fee application (as defined in the Compensation Order) filed by the case professional shall also be sent to the Fee Examiner, together with the time entries and itemized expenses ("fee and expense detail"). The application may be sent to the Fee Examiner, via e-mail to l.cooper@smmj.com or hard-copy format via first class, U.S. Mail, to Linda K. The fee and expense detail shall be sent to the Fee Examiner via e-mail in a searchable electronic format, such as LEDES or Excel. If the fee and expense detail has been submitted in the electronic format with the monthly applications, it is not necessary to resubmit that detail in conjunction with the filing of an interim quarterly fee application, unless the detail has been changed or modified.

If a case professional is unable to convert its fee and expense detail to the LEDES or Excel formats, the case professional may discuss an alternative electronic format with Stuart Maue. With respect to any fee applications that have been filed prior to the entry of this Order, the case professionals shall provide the fee and expense detail to the Fee Examiner within fifteen (15) days of the entry of this Order.

5. Duties of Fee Examiner and Related Procedures. During the course of its review, the Fee Examiner shall be responsible for general familiarity with the docket in these chapter 11 cases. The Fee Examiner shall be deemed to have filed a request for notice of papers filed in

² Such applicable rules and guidelines include the Local Rules and the United States Trustee's Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses under 11 U.S.C. § 330, effective January 30, 1996 ("Guidelines").

these cases under Bankruptcy Rule 2002 and the Fee Examiner shall be served with all such papers.

The Fee Examiner shall review and analyze in detail the monthly, interim quarterly, and final fee applications submitted by each case professional pursuant to sections 330 and 331 of the Bankruptcy Code, Local Rules, and United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. §330. Within thirty (30) days of receipt of the interim quarterly and final fee applications and the electronic copy of the fee and expense detail, the Fee Examiner shall provide a preliminary report regarding such review to the case professional. This period may be extended by mutual consent of the Fee Examiner and the case professional. The preliminary report will not be filed with the Court or sent to the Notice Parties.

The case professional shall thereafter have twenty (20) days to provide to the Fee Examiner additional information or comments in response to the preliminary report. The response to the preliminary report shall be in writing in a searchable electronic format, such as Microsoft Word, WordPerfect, or Excel, and forwarded to the Fee Examiner by e-mail. The case professional may also respond telephonically to the preliminary report.

Within thirty (30) days after the date of the case professional's response to the preliminary report, the Fee Examiner shall file a final report with the Court regarding each quarterly interim or final fee application. This period may be extended by mutual consent of the Fee Examiner and the case professional. The Fee Examiner shall serve the final report upon the respective case professional and the Notice Parties (as defined in the Compensation Order). The final report shall be in a format designed to opine whether the requested fees of the case professional meet the applicable standards of section 330 of the Bankruptcy Code, the Local

Rules and United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. §330. Within fifteen (15) days after the date of the final report for each interim and final fee application, the case professional may file with the Court a response to such final report. This response shall be served upon the Notice Parties and the Fee Examiner.

Hearings on the quarterly interim fee applications shall be scheduled after the Fee Examiner has filed final reports for all quarterly interim fee applications submitted for that period. The hearing on the final fee applications shall be scheduled after the Fee Examiner has filed final reports for those applications.

Should a case professional fail to meet one or more deadlines set forth herein for the review of a quarterly interim fee application, and, in the discretion of the Fee Examiner, the case professional's failure to meet these deadlines does not allow sufficient time for the review process to be completed, such quarterly interim fee application shall be heard at a subsequent hearing date.

The Fee Examiner shall be available for deposition and cross-examination by the Debtors, the Committee, the United States Trustee, and other interested parties, consistent with Rule 706 of the Federal Rules of Evidence.

6. Fees and Expenses of the Fee Examiner. The fees and expenses of the Fee Examiner shall be subject to application and review, pursuant to Federal Rule of Evidence 706(b), and shall be paid from the Debtors' estates as an administrative expense under section 503(b)(2) of the Bankruptcy Code. The total fees paid to the Fee Examiner for its services in accordance with this Order shall be charged at the Fee Examiner's ordinary and customary hourly rates for services of this nature.

7. Statutory Rights and Obligations of Interested Parties Unaffected. This Order does not limit the statutory rights and obligations of interested parties in these cases, including, but not limited to, the rights of parties in interest to object to monthly fee applications, quarterly interim fee applications, and/or final fee applications.

8. Service of this Order. Counsel for the Debtors shall promptly serve a copy of this Order on the Notice Parties and each of the case professionals retained in these cases, and shall file a certificate of service upon completion of such service.

9. Effect of this Order. This Order shall be effective *nunc pro tunc* to July 8, 2009 and shall remain in effect unless and until the Court orders otherwise.

10. Power of the Court. The Court shall retain authority to modify this Order upon notice to the parties. Notwithstanding any of the other provisions in this Order, the Court shall retain the authority and responsibility to determine whether fees and expenses requested are reasonable and necessary fees and expenses under section 330 of the Bankruptcy Code.

Re: Proposal to Act as Fee Examiner in Stone & Webster, Inc. Chapter 11 Bankruptcy

Dear Ms. Lonstein:

Thank you for extending Stuart, Maue, Mitchell & James, Ltd. (Stuart Maue) an opportunity to submit a proposal to the Equity Committee to serve as the Court-appointed fee examiner in the Stone & Webster, Inc. Chapter 11.

Stuart Maue is a St. Louis, Missouri, company engaged in the business of legal auditing. For over 18 years Stuart Maue has provided legal auditing serviced throughout the United States involving hundreds of millions of dollars in legal fees and expenses. As you may be aware Stuart Maue has recently been selected as a member of the fee review committee in the K-Mart Chapter 11 filed in the Northern District of Illinois. In addition, Stuart Maue also served in a number of other Chapter 11 bankruptcy cases including, but not limited to, the following:

1. Lernout and Hauspie Chapter 11, District of Delaware.
2. FoxMeyer Drug Company Chapter 7, District of Delaware (current).
3. Bennett Funding Group Chapter 11, Northern District of New York (current).
4. Phar-Mor Chapter 11, Northern District of Ohio.

Stuart Maue employs a staff of attorneys, accountants, computer professionals, and other personnel to perform its legal audits. Stuart Maue has made a significant investment in its computer system and has designed its auditing methodology to utilize its computer capabilities. This allows Stuart Maue to provide the highest quality of professional services in a most cost-effective manner.

As can be seen from the above listing, Stuart Maue has significant experience with the local rules and requirements in the District of Delaware. Thus, Stuart Maue is able to efficiently and effectively identify potential violations of the local rules and to identify other items that may require more careful scrutiny by the Court.

Stuart Maue's proposal to serve as the Court-appointed fee examiner in the Chapter 11 bankruptcies listed above is set forth below:

I. Audit Procedures

Stuart Maue's methodology for analyzing professional fees and expenses submitted in bankruptcy fee applications includes several related activities: (A) reconciliation of hours/fees and expenses set forth in the fee application (i.e., recalculation of the bills); (B) analysis of professional fee activities set forth in the fee application; (C) analysis of expenses set forth in the fee application and, if appropriate, reconciliation of outside charges with vendor receipts; and (D) evaluation of noncompliance with guidelines or rules of court. The scope of the review performed by Stuart Maue is determined by the Court's needs and can be altered during the pendency of the matters.

For each case professional fee application within the scope of the Court's fee auditor retention order, Stuart Maue will prepare a report containing its audit findings. Stuart Maue's reports are designed to quantify and present factual data relevant to whether the requested fees and expenses meet the applicable standards for professional billings in bankruptcy cases in this jurisdiction. For each fee application, Stuart Maue will initially create a computer database of all time entries and costs shown on the fee applications.

A. Reconciliation of Hours/Fees and Expenses

Stuart Maue's auditors ascertain the mathematical accuracy of the fee application submitted by the professional firm through manual and computerized recomputation of fees and expenses. Stuart Maue's auditors recompute the total hours and fees submitted on the fee application, using the hourly rates provided by the professional firm. Discrepancies between the amount billed and the amount computed are reconciled whenever possible. Discrepancies that cannot be reconciled are itemized. Stuart Maue's auditors also recompute the amount of expenses incurred as submitted on the fee application, and itemize any discrepancies.

B. Analysis of Professional Activities

The methodology employed by Stuart Maue's auditors for analysis of fee applications involves several integrated steps. Initially, Stuart Maue's auditors review the fee application for any facial irregularities such as billings to the wrong case, the absence of task descriptions, and double billings. Stuart Maue's auditors scrutinize the billing entries from several perspectives: chronologically, by individual, and by professional activity. Chronological review of the fee application permits an overview of case activity. Examination of each individual's billing entries provides information about the participation of various staff in the proceeding. It also highlights any irregular patterns (e.g., repetitive entries, excessive daily hours).

Carmen Lonstein, Esq.

Page Three

March 12, 2003

Examination of the billing statements by professional activity supplements the chronological review and the review by individual. For certain identifiable categories of activity engaged in by the professional firm, Stuart Maue's auditors attempt to identify the billed hours, the number of persons involved in the preparation, and the precise tasks each person performed.

Professional activities often fall into more than one category. For example, efforts by attorneys to prosecute an adversary proceeding for recovery of a preferential payment may require research, drafting motions, taking depositions, and appearance at hearings or trial. To the extent possible, Stuart Maue's auditors segregate and organize the professional activities and the time charged into various categories and subcategories, depending on the circumstances of the proceedings and the billing entries.

C. Analysis of Expenses

Stuart Maue's auditors review and identify the expense charges that appear to conflict with guidelines promulgated by the Court, as well as charges that appear to conflict with generally recognized billing practices. Stuart Maue's auditors also identify expense charges that the Court may wish to examine for the necessity, relevance, and reasonableness. When provided with underlying documentation, such as expense receipts, Stuart Maue's auditors reconcile this documentation to the fee application charges.

D. Evaluation for Noncompliance With Guidelines or Rules of Court

Stuart Maue's auditors review the fee application for activities and expenses that appear to violate specific court or United States Trustee guidelines. Stuart Maue's auditors also review the fee application for specificity and relevance to the proceedings. They examine the task descriptions and hours billed to identify any billings that the Court may wish to examine for necessity, relevance, and reasonableness.

At the Court's request, Stuart Maue's auditors will also perform an interfirm comparison of activities and projects performed by multiple Case Professionals. This analysis is contained in a separate report prepared by Stuart Maue's auditors. Stuart Maue's auditors identify projects on which more than one professional firm worked and quantify the time and fees billed by each firm for the projects. Stuart Maue's auditors also identify meetings and hearings attended by members of multiple professional firms, and quantify the time and fees billed for the multiple attendance. Stuart Maue's auditors analyze the combined hours and fees billed by the Case Professionals to the various subject matters, and also analyze the combined expense charges billed by the Case Professionals by category.

Carmen Lonstein, Esq.

II. Costs

Stuart Maue typically charges for auditing services in Chapter 11 cases on an hourly basis. Other courts have required Stuart Maue to bill on an hourly basis and submit detailed fee applications to the Court and other Case Professionals on the service list. The Case Professionals then have the ability to review Stuart Maue's fee application. We are, therefore, proposing that Stuart Maue be appointed on an hourly basis according to our current hourly rate structure as follows:

Legal Auditors	\$275.00
Assistant Legal Auditors	\$175.00
Computer Programmers/Consultants	\$175.00
Data Entry Personnel	\$45.00

Stuart Maue will agree to place a cap on our fee at 1 percent of the total fees and expenses reviewed. This fee cap contemplates that Stuart Maue will be able to contact the Case Professionals to obtain the fee entries (fee application) in an electronic format preferably ASCII delimited. In the event Stuart Maue is required to perform manual data entry of the fee entries on the major firms' applications and that Stuart Maue is required to review all supporting documentation for expenses, we will have the right to increase the fee cap by an additional 0.25 percent of the total fees and expenses.

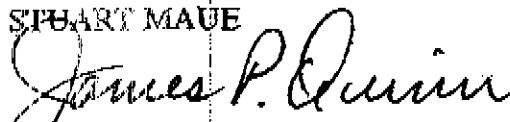

Stuart Maue will also charge for the following expenses on a direct-cost basis:

- A. Express delivery service (on a direct-cost basis).
- B. Photocopying (\$0.15 per page).
- C. Out-of-town travel costs (e.g., air fare, meals, lodging) on a direct-cost basis.

Should you have any questions please do not hesitate to call John L. Decker, Esq. or me at your convenience.

Sincerely yours,

STUART MAUE
